

## **SCHOOL DISCIPLINE AND STUDENTS' WELFARE**

The school emphasizes on high standard of discipline we focus on the teaching and developing self-discipline in our students.

Too often, students fail to understand that maintaining safety, including the correction of misbehavior, is a prerequisite for developing self-discipline. It is therefore important to adopt a way necessary for effective development of self-discipline for preventing future behavior problems.

The school has restricted certain behaviours attitudes that are seen as harmful or go against school policies, educational norms, school tradition etc.

The curative measures thus include issuing of warning cards.

Warning cards will be issued to the student who indulges in the following act of discipline.
